FOOD & BEVERAGE

Every function is unique and different. We would like your menu to reflect the style of event you are hosting. We have listed some sample menus above, but would love the opportunity to sit down with you and tailor a bespoke menu that caters for you and your guests.

Casual Dining Events

A sit down menu designed to be shared amongst all the guests. Platters placed along the middle of the table to encourage social interaction.

Individually plated meals can be discussed and may incur additional charges.

Cocktail Events

A casual room set up with some seating and standing options for guests. A decadent grazing table for Antipasto as well as roaming items including pizza squares, pasta bowls and a selection of canapes.

Dietary Requirements

Our menus are subject to change due to seasonal availability; however we aim to incorporate most dietary requirements into our dishes.

Beverage Options

Beverage packages from \$25pp including house wine, beer, soft drinks. (3 Hr duration) Drinks can also be charged on a consumption basis and paid for at the conclusion of your event. BYO wine can be arranged on request.
